

Star Golfers to conduct clinic for juniors at KGA tomorrow

11 June, 2015

Bengaluru: With the country's top star pro golfers being in Bangalore, the host venue of the Louis Philippe Cup, the Karnataka Golf Association is holding a junior golf clinic featuring the likes of International golf stars Jyoti Randhawa, Gaganjeet Bhullar, SSP Chowrasia, Siddikur Rehman, Rashid Khan and others. Around 8 top Indian players will participate in a unique clinic where each set of 5-6 junior golfers (boys and girls) between ages 8 and 15 years from the KGA who register will receive personal attention from one of the star pro golfers. The clinic will also end on a high note with each pro teaming up with the juniors for a golf "darts" contest where players will score points by hitting at a bulls-eye target. The team of 5 juniors and one pro who score the highest number of points will be declared winners. "This will give the juniors an amazing experience of being up close and personal with a world class player – all of them have won at an international level on the Asian and European Tours and this insight and demonstration is something that will be an eye opener. We hope we can inspire more kids from KGA and Bangalore become champions and follow in their footsteps" said KGA President Hitesh Joshi, who's 22 year old son Khalin Joshi finished 2nd at the US\$300,000 Bangladesh Open last week and is currently ranked 35th on the Asian Tour.

At the same time the KGA has also organized for a display and trials of the latest golf equipment from a variety of the world's top manufacturing brands so golfers can visit the KGA driving range and test out the latest advanced level game improvement equipment at no cost. "Our KGA members can try out the same equipment being used by the best players in the world and we are arranging for custom fitting arrangements as well on Friday and Saturday at KGA. Giving our club members access to the same facilities normally enjoyed only by professional players. All our golfers can now see significant improvement in their scores, accuracy and power by getting custom fitted equipment" said Venkat Subramanian, Captain, KGA. Access is to all golfers in Bangalore, free of cost at KGA on Friday and Saturday during the Louis Philippe Cup Pro Golf Event final rounds.

Added Gaganjeet Bhullar " This is a great initiative by the KGA to bring the kids and the members close to us top players by organizing this clinic and custom fitted equipment by the worlds best golf equipment brands such as Titleist, TaylorMade, Nike, Cleveland, Srixon and XXIO"
