

HERE'S WHAT TEAM TOLLY LOVED AT THE PANTALOONS STORE

Pretty dresses make **Ridhima** go weak at the knees. "This Van Heusen dress (Rs 3,995) is perfect for a night out. I don't like much bling. This is simple and sophisticated," she smiled.

Gaurav Chakrabarty picked out a cotton Bare Denim shirt (Rs 1,299). "I mostly shop online but shopping from Pantaloons sometimes is fun," he said.

Ushasie chose a fuchsia pink tunic dress from AND (Rs 2,799). "This season my colour is pink. I am going for everything pink and I love long gowns!" she said.

The bright red cotton *kurti* from Rangmanch (Rs 1,499) caught **Tanusree Chakrabarty's** eye. "I love bright colours and I wear these *kurtis* in summer. They are very comfortable," said the actress, picking out a pair of floral blue hot pants from Honey (Rs 999) next. "This is great for summer. All you need is a pair of shapely legs. Team it with a loose-fit white top and you are set."

"I love this green *Biba kurti* (Rs 1,299)," said **Monami Ghosh**. "The embroidery in pink makes it very colourful yet very summery... I love shopping at Pantaloons, there's something for everyone!"

◀ **Abhishek Dutta** loved these coloured chinos from Bare Leisure (Rs 1,399). "I think they are very comfortable. They work both as daywear and eveningwear. You can wear them with your T-shirt, cotton and linen shirts. If you pair a printed shirt or a tee with these, it will look dressier," said the designer.

◀ **Pamela** loved this floral number from Honey (Rs 799). "The best part is that you can wear it with a lot of different things — short skirts, denim hot pants, linen pants or a long skirt. If you want to turn it into a night look, wear it with jazzy shorts," she smiled.
